<u>Item #</u>	<u>Description</u>	<u>Ask Price</u>
Item 1	Empty Can Double High Depalletizer for 401 cans. As-Is	\$10,500
Item 2	Angelus Model 59P Can Seamer for 603 x 700 cans. As-Is	\$24,500
Item 3	Angelus Model 40P Can Seamer for 401 x 411 cans. As-Is	\$18,000
Item 4	FMC 2-Shell Pressure Cooker/Cooler for 401 cans. As-Is	\$25,000
Item 5	FMC 2-Shell Pressure Cooker/Cooler for 401 cans. As-Is	\$25,000
Item 6	Solbern Model PTF Tumble Filler. As-Is.	\$5,500
SP001	Mild steel hydraulic single bin dumper, 4-bin accumulation, bin conveyor and bin stacker. As-Is, Ex-Works Gridely, CA.	\$5,500
SP002	Mild steel hydraulic single bin dumper, 4-bin accumulation, bin conveyor and bin stacker. As-Is, Ex-Works Gridely, CA.	\$5,500
SP003	Kerian Model L-60 Roll Sizer, mild steel frame, measures 60" wide x 7' long, one 30" wide take-away cross conveyor with drive motor. As-Is, Ex-Works Gridley, CA.	\$3,000
SP004	Kerian Model L-60 Roll Sizer, mild steel frame, measures 60" wide x 7' long, one 30" wide take-away cross conveyor with drive motor. As-Is, Ex-Works Gridley, CA.	\$3,000
SP005	Kull Recovery and Pit Scrubbing System, consisting of: Bauer 72" stainless steel parabolic wastewater screen with approx. .090 screen, feeding to a 10' x 10' x 20' mild steel pit recovery bin, (1) 12" dia. X 15' long steam injected screw blancher, (1) FMC Model 100 Pulper with Rubber paddles and drive motor, and (1) Waukesha Model 130 PD pump and 200 gallon stainless steel single wall tank. As-is, Ex-Works Gridley, CA.	\$10,500
SP006	Secondary Kull & Pit Recovery System consisting of: Bauer 72" wide stainless steel parabolic wastewater recovery system with (2) 10' x 10' x 20' mild steel pit recovery bin. As-Is, Ex-Works Gridley, CA.	\$7,500
SP007	Kerian Model X-72 Roll Sizer, mild steel frame, plastic rollers, (4) take-away cross conveyors less belts. 72" wide x 10' long roller bed with drive motor. As-Is, Ex-Works Gridely, CA	\$4,500
SP008	Kerian Model X-72 Roll Sizer, mild steel frame, plastic rollers, (4) take-away cross conveyors less belts. 72" wide x 10' long roller bed with drive motor. As-Is, Ex-Works Gridely, CA	\$4,500
SP009	Kerian Model X-72 Roll Sizer, mild steel frame, plastic rollers, (4) take-away cross conveyors less belts. 72" wide x 10' long roller bed with drive motor. As-Is, Ex-Works Gridely, CA	\$4,500
SP010	Single hydraulic bin dump stations with 8-bin accumulation, dual level bin stacker, (1) 60" w x 8' l mild steel feed hopper with flighted elevator discharge, (1) 40" w x 6' long deleafing roller conveyor, and (1) 36" w x 40' tall stainless steel flight elevator with plastic intralox belting and drive. As-Is, Ex-Works Gridley, CA.	\$12,500

SP011	Commercial 10-Lane cup-up stainless steel peach shaker with eccentric drive, shaker feeds a 36" w x 15' long stainless steel sanitary belt conveyor with drive motor. (1)12" w x 6' t flighted elevator infeed conveyor. As-Is, Ex-Works Gridley, CA.	\$3,000
SP012	Allen Mfg. All Stainless Steel dual level (190- 1.5" holes per level) Peach pit removal conveyor with drive, feeding (1) 36" w x 22' L stainless steel sanitary sorting belt with 3-lane bottom drop out for Repits, Waste and Whole. Drive motor and guards included. As-Is, Ex-Works Gridley, CA.	\$5,500
SP013	Allen Mfg. All Stainless Steel dual level (190- 1.5" holes per level) Peach pit removal conveyor with drive, feeding (1) 36" w x 25' L stainless steel sanitary sorting belt with 3-lane bottom drop out for Repits, Waste and Whole. Drive motor and guards included. As-Is, Ex-Works Gridley, CA.	\$6,500
SP014	Allen Mfg. All Stainless Steel dual level (190- 1.5" holes per level) Peach pit removal conveyor with drive, feeding (1) 36" w x 25' L stainless steel sanitary sorting belt with 3-lane bottom drop out for Repits, Waste and Whole. Drive motor and guards included. As-Is, Ex-Works Gridley, CA.	\$6,500
SP015	Allen Mfg. All Stainless Steel dual level (190- 1.5" holes per level) Peach pit removal conveyor with drive, feeding (1) 36" w x 25' L stainless steel sanitary sorting belt with 3-lane bottom drop out for Repits, Waste and Whole. Drive motor and guards included. As-Is, Ex-Works Gridley, CA.	\$6,500
SP016	Allen Mfg. All Stainless Steel dual level (190- 1.5" holes per level) Peach pit removal conveyor with drive, feeding (1) 36" w x 25' L stainless steel sanitary sorting belt with 3-lane bottom drop out for Repits, Waste and Whole. Drive motor and guards included. As-Is, Ex-Works Gridley, CA.	\$6,500
SP017	Allen Mfg. All Stainless Steel dual level (190- 1.5" holes per level) Peach pit removal conveyor with drive, feeding (1) 36" w x 25' L stainless steel sanitary sorting belt with 3-lane bottom drop out for Repits, Waste and Whole. Drive motor and guards included. As-Is, Ex-Works Gridley, CA.	\$6,500
SP018	Allen Mfg. All Stainless Steel dual level (190- 1.5" holes per level) Peach pit removal conveyor with drive, feeding (1) 36" w x 25' L stainless steel sanitary sorting belt with 3-lane bottom drop out for Repits, Waste and Whole. Drive motor and guards included. As-Is, Ex-Works Gridley, CA.	\$6,500
SP019	Allen Mfg. All Stainless Steel dual level (190- 1.5" holes per level) Peach pit removal conveyor with drive, feeding (1) 36" w x 25' L stainless steel sanitary sorting belt with 3-lane bottom drop out for Repits, Waste and Whole. Drive motor and guards included. As-Is, Ex-Works Gridley, CA.	\$6,500
SP020	Atlas Pacific 4' w x 60' L stainless steel 1/2 peach size grader currently set up for 10 different sizing grids. Unit includes drive motors and eccentrics. As-Is, Ex-Works Gridley, CA.	\$7,000
SP021	Allen Mfg. All Stainless Steel dual level (190- 1.5" holes per level) Peach pit removal conveyor with drive, feeding (1) 36" w x 25' L stainless steel sanitary sorting belt with 3-lane bottom drop out for Repits, Waste and Whole. Drive motor and guards included. As-Is, Ex-Works Gridley, CA.	\$6,500
SP022	Allen Mfg. All Stainless Steel dual level (190- 1.5" holes per level) Peach pit removal conveyor with drive, feeding (1) 36" w x 25' L stainless steel sanitary sorting belt with 3-lane bottom drop out for Repits, Waste and Whole. Drive motor and guards included. As-Is, Ex-Works Gridley, CA.	\$6,500
SP023	Allen Mfg. All Stainless Steel dual level (190- 1.5" holes per level) Peach pit removal conveyor with drive, feeding (1) 36" w x 25' L stainless steel sanitary sorting belt with 3-lane bottom drop out for Repits, Waste and Whole. Drive motor and guards included. As-Is, Ex-Works Gridley, CA.	\$6,500

SP024	Allen Mfg. All Stainless Steel dual level (190- 1.5" holes per level) Peach pit removal conveyor with drive, feeding (1) 36" w x 25' L stainless steel sanitary sorting belt with 3-lane bottom drop out for Repits, Waste and Whole. Drive motor and guards included. As-Is, Ex-Works Gridley, CA.	\$6,500
SP025	Commercial 9-Lane cup-up stainless steel peach shaker less eccentric drive. As-Is, Ex-Works Gridley, CA.	\$1,500
SP026	Atlas Pacific 6' w x 60' L stainless steel 1/2 peach size grader currently set up for 13 different sizing grids. Unit includes drive motors and eccentrics. As-Is, Ex-Works Gridley, CA.	\$7,500
SP027	Atlas Pacific 6' w x 60' L stainless steel 1/2 peach size grader currently set up for 13 different sizing grids. Unit includes drive motors and eccentrics. As-Is, Ex-Works Gridley, CA.	\$7,500
SP028	Atlas Pacific 4' w x 25' L stainless steel 1/2 peach size grader currently set up for 5 different sizing grids. Unit includes drive motors and eccentrics. As-Is, Ex-Works Gridley, CA.	\$6,000
SP029	Farmco all stainless steel sliver remover, unit measures 4' w x 3' L, (7) 4" Dia. Stainless steel rollers. Complete with drive motor. As-Is, Ex-Works Gridley, CA.	\$3,000
SP030	Melrose 6-Lane stainless steel cup-up peach shaker with drive, (1) commercial 24" w x 8' L stainless surge shaker. As-Is, Ex-Works Gridley, CA.	\$4,500
SP031	Peach sort line consisting of: (1) Melrose 7-Lane stainless steel cup-down shaker with drive, (1) 30" w x 21' L stainless steel sanitary belt conveyor with drive (1) Melrose 8-Lane stainless steel cup-up shaker with drive, and (1) 30" w x 18' L stainless steel sanitary belt conveyor with drive motor. As-Is, Ex-Works Gridley, CA.	\$7,500
SP032	Peach sort line consisting of: (1) Melrose 7-Lane stainless steel cup-down shaker with drive, (1) 30" w x 21' L stainless steel sanitary belt conveyor with drive (1) Melrose 8-Lane stainless steel cup-up shaker with drive, and (1) 30" w x 18' L stainless steel sanitary belt conveyor with drive motor. As-Is, Ex-Works Gridley, CA.	\$7,500
SP033	Peach sort line consisting of: (1) Melrose 7-Lane stainless steel cup-down shaker with drive, (1) 30" w x 21' L stainless steel sanitary belt conveyor with drive (1) Melrose 8-Lane stainless steel cup-up shaker with drive, and (1) 30" w x 18' L stainless steel sanitary belt conveyor with drive motor. As-Is, Ex-Works Gridley, CA.	\$7,500
SP034	Peach sort line consisting of: (1) Melrose 7-Lane stainless steel cup-down shaker with drive, (1) 30" w x 21' L stainless steel sanitary belt conveyor with drive (1) Melrose 8-Lane stainless steel cup-up shaker with drive, and (1) 30" w x 18' L stainless steel sanitary belt conveyor with drive motor. As-Is, Ex-Works Gridley, CA.	\$7,500
SP035	Peach Slicer and sort line consisting of: (1) Melrose 10-Lane stainless steel cup-down shaker with drive, (1) 30" w x 30' L stainless steel sanitary belt conveyor with drive motor. (5) 3-Blade stainless steel peach slicers with a (1) 30" w x 30' L stainless steel sanitary belt discharge conveyor with drive motor As-Is, Ex-Works Gridley, CA.	\$10,500
SP036	Peach sort line consisting of: (1) Melrose 7-Lane stainless steel cup-down shaker with drive, (1) 30" w x 30' L stainless steel sanitary belt conveyor with drive (1) Melros 8-Lane stainless steel cup-up shaker with drive, and (1) 30" w x 120' L stainless steel sanitary belt conveyor with drive motor. As-Is, Ex-Works Gridley, CA.	\$7,500
SP037	Peach sort line consisting of: (1) Melrose 7-Lane stainless steel cup-down shaker with drive, (1) 30" w x 30' L stainless steel sanitary belt conveyor with drive (1) Melros 8-Lane stainless steel cup-up shaker with drive, and (1) 30" w x 120' L stainless steel sanitary belt conveyor with drive motor. As-Is, Ex-Works Gridley, CA.	\$7,500

SP038	Peach Slicer and sort line consisting of: (1) 36" w x 20' L stainless steel sanitary belt feed conveyor with drive motor. (4) 3-Blade stainless steel peach slicers with extra station for additional slicer and (1) 30" w x 40' L stainless steel sanitary belt discharge conveyor with drive motor As-Is, Ex-Works Gridley, CA.	\$8,000
SP039	Melrose 7-Lane stainless steel cup-up peach shaker with drive, (1) 24" w x 30' L stainless steel sanitary belt conveyor with drive motor. As-Is, Ex-Works Gridley, CA.	\$3,000
SP040	Stainless steel 30" w x 50' long stainless steel sanitary belt conveyor with drive motor. As-Is, Ex-Works Gridley, CA.	\$2,500
SP041	Melrose 7-Lane cup-down peach shaker with hydraulic drive. As-Is, Ex-Works Gridley, CA.	\$1,500
SP042	Stainless steel 30" w x 30' long stainless steel sanitary belt conveyor with drive motor. As-Is, Ex-Works Gridley, CA.	\$1,500
SP043	Commercial 28" w x 50" long stainless steel dewatering shaker with drive motor. As-Is, Ex-Works Gridley, CA.	\$1,000
SP044	Stainless steel 36" w x 20' long stainless steel sanitary belt conveyor with drive motor, (1) Melrose 10-Lane cup-up peach shaker, and (1) Stainless steel 36" w x 10' L stainless steel sanitary belt conveyor. As-Is, Ex-Works Gridley, CA.	\$2,500
SP045	Stainless steel 36" w x 27' long stainless steel sanitary belt conveyor with drive motor, and (1) 24" x 40' L stainless steel sanitary belt conveyor. As-Is, Ex-Works Gridley, CA.	\$1,800
SP046	Stainless steel 24" w x 40' long stainless steel sanitary belt conveyor with drive motor, and (1) 36" x 30' L stainless steel sanitary belt conveyor. As-Is, Ex-Works Gridley, CA.	\$3,000
SP047	Melrose 9-Lane stainless steel peach cup-up shaker with a 30" w x 25' long stainless steel sanitary belt conveyor, and (3) 6" w x 4' tall stainless steel flighted elevator feed conveyors. As-Is, Ex-Works Gridley, CA.	\$4,500
SP048	Stainless steel 30" w x 40' long stainless steel sanitary belt conveyor with no drive motor. As-Is, Ex-Works Gridley, CA.	\$2,000
SP049	Stainless steel 36" w x 15' long stainless steel sanitary belt conveyor with drive motor and (1) 24" w x 8' tall elevator feed less belt. As-Is, Ex-Works Gridley, CA.	\$1,500
SP050	(15) Stainless steel 3' long and 4' long in-line can washers with spray headers and infeed/discharge can twists. Price per each unit. As-Is, Ex-Works Gridley, CA.	\$300
SP051	Commercial 36" w x 10' long stainless steel solid pan shaker with eccentric drive. As-Is, Ex-Works Gridley, CA.	\$2,000
SP052	Solbern Model PTF stainless steel tumble filler with drum cover, (3) Reeves vari-speed drives, adjustable can size, previously running 300, 401 and 603 diameter can sizes. As-Is, Ex-Works Gridley, CA.	\$6,000
SP053	Solbern Model PTF stainless steel tumble filler with drum cover, (3) Reeves vari-speed drives, adjustable can size, previously running 300, 401 and 603 diameter can sizes. As-Is, Ex-Works Gridley, CA.	\$6,000
SP054	Solbern Model PTF stainless steel tumble filler with drum cover, (3) Reeves vari-speed drives, adjustable can size, previously running 300, 401 and 603 diameter can sizes. As-Is, Ex-Works Gridley, CA.	\$6,000
SP055	Solbern Model PTF stainless steel tumble filler with drum cover, (3) Reeves vari-speed drives, adjustable can size, previously running 300, 401 and 603 diameter can sizes. As-Is, Ex-Works Gridley, CA.	\$6,000

SP056	Solbern Model PTF stainless steel tumble filler with drum cover, (3) Reeves vari-speed drives, adjustable can size, previously running 300, 401 and 603 diameter can sizes. As-Is, Ex-Works Gridley, CA.	\$6,000
SP057	Solbern Model PTF stainless steel tumble filler with drum cover, (3) Reeves vari-speed drives, adjustable can size, previously running 300, 401 and 603 diameter can sizes. As-Is, Ex-Works Gridley, CA.	\$6,000
SP058	Solbern Model PTF stainless steel tumble filler with drum cover, (3) Reeves vari-speed drives, adjustable can size, previously running 300, 401 and 603 diameter can sizes. As-Is, Ex-Works Gridley, CA.	\$6,000
SP059	Solbern Model PTF stainless steel tumble filler with drum cover, (3) Reeves vari-speed drives, adjustable can size, previously running 300, 401 and 603 diameter can sizes. As-Is, Ex-Works Gridley, CA.	\$6,000
SP060	Solbern Model PTF stainless steel tumble filler with drum cover, (3) Reeves vari-speed drives, adjustable can size, previously running 300, 401 and 603 diameter can sizes. As-Is, Ex-Works Gridley, CA.	\$6,000
SP061	Solbern Model PTF stainless steel tumble filler with drum cover, (3) Reeves vari-speed drives, adjustable can size, previously running 300, 401 and 603 diameter can sizes. As-Is, Ex-Works Gridley, CA.	\$6,000
SP062	Solbern Model SY-H-S In-Line stainless steel briner/filler for 300 x 407 can size, includes in-line topper, seamer driven. As-Is, Ex-Works Gridley, CA.	\$7,500
SP063	Solbern Model SY-H-S In-Line stainless steel briner/filler for 300 x 407 can size, includes in-line topper, seamer driven. As-Is, Ex-Works Gridley, CA.	\$7,500
SP064	Angelus Model 40P MSLF can closing machine, set on 401 x 411 can size, steam flow closure, 1969 vintage, but previously overhauled in 1999, complete with drive motor and infeed conveyor. As-Is, Ex-Works Gridley, CA.	\$18,000
SP065	Angelus Model 40P MSLF can closing machine, set on 401 x 411 can size, steam flow closure, 1969 vintage, but previously overhauled in 1999, complete with drive motor and infeed conveyor. As-Is, Ex-Works Gridley, CA.	\$18,000
SP066	FMC Model 118 Prevacuumizing Syruper, set on 401 x 411 can size, complete with vacuum trap. As-Is, Ex-Works Gridley, CA.	\$6,000
SP067	FMC Model 118 Prevacuumizing Syruper, set on 401 x 411 can size, complete with vacuum trap. As-Is, Ex-Works Gridley, CA.	\$6,000
SP068	FMC 2-Shell Atmospheric U-Bottom Cooker/Cooler System. Cooker has 4,032 can capacity with stainless tees and angles. Serial number 3245-3-46. Cooler has 2,184 can capacity with stainless steel tees and angles. Serial number 3245-6-46. System is complete with a free roller infeed and extractor discharge. As-Is, Ex-Works Gridley, CA.	\$16,000
SP069	FMC 2-Shell Pressure Cooker/Cooler System for 300 x 407 cans. Cooker has 2,856 can capacity with mild steel tees and clad steel angles. Serial number 3642-37-48. Cooler has 1,470 can capacity with mild steel tees and clad steel angles. Serial number 3642-38-48. System has over-the-hump infeed elevator, infeed, transfer, and discharge valves. Both shells have small reel end shafts. Vari-Speed drive with Taylor recorder/controllers and steam valves. As-Is, Ex-Works Gridley, CA.	\$22,500

SP070	FMC 2-Shell Pressure Cooker/Cooler System for 401 x 411 cans. Cooker has 2,380 can capacity with mild steel tees and clad steel angles. Serial number 3635-104-48. Cooler has 1,225 can capacity with mild steel tees and clad steel angles. Serial number 3635-107-48. System has over-the-hump infeed elevator, infeed, transfer, and discharge valves. Both shells have small reel end shafts.Vari-Speed drive with Taylor recorder/controllers and steam valves. As-Is, Ex-Works Gridley, CA.	\$25,000
SP071	FMC 2-Shell Pressure Cooker/Cooler System for 401 x 411 cans. Cooker has 2,380 can capacity with stainless steel tees and mild steel angles. Serial number 3635-102-48. Cooler has 1,225 can capacity with stainless steel tees and mild steel angles. Serial number 3635-103-48. System has over-the-hump infeed elevator, infeed, transfer, and discharge valves. Both shells have small reel end shafts.Vari-Speed drive with Taylor recorder/controllers and steam valves. As-Is, Ex-Works Gridley, CA.	\$25,000
SP072	FMC 2-Shell Pressure Cooker/Cooler System for 401 x 411 cans. Cooker has 2,380 can capacity with stainless steel tees and mild steel angles. Serial number 3635-98-47. Cooler has 1,225 can capacity with stainless steel tees and mild steel angles. Serial number 3635-99-47. System has over-the-hump infeed elevator, infeed, transfer, and discharge valves. Both shells have small reel end shafts.Vari-Speed drive with Taylor recorder/controllers and steam valves. As-Is, Ex-Works Gridley, CA.	\$25,000
SP073	FMC 2-Shell Pressure Cooker/Cooler System for 300 x 407 cans. Cooker has 2867 can capacity with stainless tees and mild steel angles. Serial number 3647-156-52. Cooler has 1,504 can capacity with stainless steel tees and mild steel angles. Serial number 3647-157-52. System includes standard infeed, transfer and discharge valves. Both shells have large reel shaft ends. Vari-speed drive with Taylor recorder/controllers and steam valves. As-Is, Ex-Works Gridley, CA.	\$45,000
SP074	Sweco 48" diameter single deck stainless steel sifter/shaker, includes a couple extra screens and drive motor. As-Is, Ex-Works Gridley, CA.	\$3,000
SP075	Bauer stainless steel 72" w x 60" tall parabolic wastewater screen with .020 openings. As-Is, Ex-Works Gridley, CA.	\$2,000
SP076	Standard Knapp Model HOR-3 horizontal roll-thru labeler, continuous feed, hot pot, but no paste pot. Incomplete. As-Is, Ex-Works Gridley, CA	\$1,000
SP077	FMC Model 112 Prevacuumizing Syruper, set on 603 x 700 can size, complete with vacuum trap. As-Is, Ex-Works Gridley, CA.	\$5,500
SP078	Angelus Model 60L Can Closing Machine, set on 300 x 407 can size, steam flow closure, Serial number 71981268, drive motor. Missing infeed conveyor. As-Is, Ex-Works Gridley, CA.	\$21,000
SP079	Valley Welding Machinery (VWM) stainless steel 14-Lane peach cup-up shaker with a Key Iso-flo eccentric drive. As-Is, Ex-Works Gridley, CA.	\$2,500
SP080	Stainless Steel single wall vertical tank, covered top, approx. 1500 gallon capacity, 18" x 18" square manhole opening, sloped bottom with a 4" side bottom discharge. As-Is, Ex-Works Gridley, CA.	\$1,500
SP081	Stainless Steel single wall vertical tank, covered top, approx. 1500 gallon capacity, 18" x 18" square manhole opening, sloped bottom with a 4" side bottom discharge. Mild steel support legs. As-Is, Ex-Works Gridley, CA.	\$1,500
SP082	Stainless Steel single wall vertical tank, covered top, approx. 1200 gallon capacity, 18" diameter manhole opening, cone bottom with a 3" center bottom discharge. As-Is, Ex-Works Gridley, CA.	\$1,200
SP083	Double High empty can depalletizer, auto rake, 20' long plastic intralox accumulation, pallet infeed and discharge conveyors, hydraulic powerpack. As-Is, Ex-Works Gridley, CA.	\$9,500

SP084	4' wide x 30' long Stainless Steel accumulation table with plastic intralox belting, drive motor, mounted on 15' tall support legs. As-Is, Ex-Works Gridley, CA.	\$5,000
SP085	(4) Stainless Steel 3-Blade peach slicing assemblies, no slicing blades. As-Is, Ex-Works Gridley, CA.	\$2,000
SP086	20 Ton per hour caustic peach peeling, pit scrubbing, and cold press line consisting of: (1) 68" w x 30' long caustic belt peeler, mild steel with 1/4" mat belting, (1) 60" w x 8' long stainless steel horizontal rubber disc bed for skin removal, (1) 24" wide x 25' tall stainless steel flighted elevator with drive, (1) Manzini (Sasib) stainless steel depitching and cold press system with (1) Manzini (Sasib) progressive cavity pump with a 6" x 12" open throat infeed, 48" long progressive cavity, (4) FMC model 100 pulper/finishers with drives (missing one), and (2) Waukesha Model 134 positive displacement pumps with drives. As-Is, Ex-Works Gridley, CA.	\$35,000
SP087	Bellato Mfg. Stainless Steel horizontal tube-in-tube heat exchanger (hot break) with 3" tubes, approximately 1000 square feet of heating surface, 60 PSI, manufactured in 1998. As-Is, Ex-Works Gridley, CA	\$20,000
SP088	Bellato Mfg. Stainless Steel vertical circulation tank, measuring approx. 4' diameter x 15' tall, approximately 1200 gallon capacity, (1) Waukesha model 220 positive displacement pump with drive, (1) Gould 12" suction x 8" discharge centrifugal pump with drive. As-Is, Ex-Works Gridley, CA.	\$10,000
SP089	Wastewater recovery system consisting of: (2) Bauer 72" w x 5' tall parabolic wastewater screens, (2) Stainless Steel single wall vertical tanks approx. 1000 gallon each, (2) Mild Steel 6" x 4" mild steel centrifugal pumps with drives. As-Is, Ex-Works Gridley, CA.	\$6,500
SP090	FMC 2-Shell Atmospheric Cooker/Cooler System for 603 x 700 cans. Cooker has a 1995 can capacity, stainless steel tees and angles, free roller infeed, vari-speed drive. Open Spray Cooler has 980 can capacity with stainless steel tees and angles. System includes Taylor controls. As-Is, Ex-Works Gridley, CA.	\$46,000
SP091	FMC 3-Shell Pressure Cooker/Cooler System for 603 x 700 cans. Pressure cooker has a 1104 can capacity with stainless steel tees and angles, serial number 3624-8-52. Pressure cooler has a 338 can capacity with stainless steel tees and angles (shell needs repair). Atmospheric Cooler has 768 can capacity with stainless steel tee and angles (shell needs repair). System includes cup feed, standard infeed, transfer and discharge valves. Vari-speed drive, Taylor controls and steam valves. As-Is, Ex-Works Gridley, CA.	\$75,000
SP092	FMC 3-Shell Atmospheric Cooker/Cooler System for 603 x 700 cans. (2) Atmospheric Cookers have 1104 and 656 can capacity each with stainless steel tees and angles, common vari-speed drive, free-roller infeed. Atmospheric open spray cooler has a 2496 can capacity with stainless steel tees and angles, separate vari-speed drive, extractor discharge. As-Is, Ex-Works Gridley, CA.	\$65,000
SP093	FMC 2-Shell Atmospheric Cooker/Cooler System for 603 x 700 cans. Cooker has approximately 1200 can capacity, stainless steel tees and angles, free roller infeed, vari-speed drive. Round Shell Cooler has approximately 1000 can capacity with stainless steel tees and angles. System includes (2) free roller infeeds and (2) extractor discharges. Vari-speed drives with controls. As-Is, Ex-Works Gridley, CA.	\$50,000
SP094	FMC model BCP-210 magnetic palletizers, converted to plastic intralox belt pulleys (missing belt), 1980's vintage. As-Is, Ex-Works Gridley, CA.	\$5,500
SP095	FMC model BCP-210 magnetic palletizers, converted to plastic intralox belt pulleys (missing belt), 1980's vintage. As-Is, Ex-Works Gridley, CA.	\$5,500
SP096	Magnuson Filper vacuum palletizer for 603 x 700 can size, unit includes drive motor for palletizer belt and vacuum pump for platen. As-Is, Ex-Works Gridley, CA.	\$3,000

SP097	FMC model BCP-210 magnetic palletizers, converted to plastic intralox belt pulleys (missing belt), 1980's vintage. As-Is, Ex-Works Gridley, CA.	\$5,500
SP098	FMC model BCP-210 magnetic palletizers, converted to plastic intralox belt pulleys (missing belt), 1980's vintage. As-Is, Ex-Works Gridley, CA.	\$5,500
SP099	Stainless Steel 3-Blade stainless steel peach slicer, mounted on a stainless frame with a 6" w x 7' long sanitary feed conveyor with drive motor. As-Is, Ex-Works Gridley, CA.	\$2,000
SP100	(5) All stainless steel pitter platforms with feed and discharge conveyors. Each platform can handle approx. 68 peach pitters. Each platform is approximately 120' long with a 40" wide feed conveyor and (2) 24" wide discharge conveyors. (Pitters were leased). System also includes a 36" w x approx. 100' long cross conveyor. No sanitary belts included. Galvanized catwalk and stainless steel support structure is also included. As-Is, Ex-Works Gridley, CA.	\$55,000
SP101	Hycor 36" diameter x 12' long stainless steel Rotostrainer wastewater reel with drive motor. (screen requires repair). As-Is, Ex-Works Gridley, CA.	\$1,500
SP102	(4) 30" Diameter x 8' Long stainless steel dirt reels with mild steel support frames, no drives. As-Is, Ex-Works Gridley, CA.	\$1,000
SP103	Buffalovac(Bellato Engineering) 4-Effect 50,000 Lbs/Hr. Evaporation System. Previously running peach purees. Completely reconfigured in 1998 by Bellato Engineering and relocated from Sacramento in 1998. System includes recirculation pumps with steam turbines, and all control systems and steel support structure. As-Is, Ex-Works Gridley, CA.	\$85,000
SP104	FranRica (JBT-FMC) Aseptic Flash Cooler rated at approximately 30 tons per hour capacity, system is complete with (1) Waukesha model 323 Asepetic positive displacement pump with 6" suction and discharge, (1) Steam injection system, (1) Stainless Surge Tanks with pumps and controls. As-Is, Ex-Works Gridley, CA.	\$20,000
SP105	Scholle model 14-2 aseptic 300 gallon bag-in-box filler. System includes bin infeed and discharge conveyors, PLC controls and drive motors. As-Is, Ex-Works Gridley, CA.	\$7,500
SP106	(7) BAC Dual Fan Cooling Towers with galvanzied structures. Price per each unit. As-Is, Ex-Works Gridley, CA.	\$2,500
SP107	FMC Pressure Cooker for 401 x 411 Cans, 2380 can capacity, small shaft, mild steel tees and angles, missing one end plate. Includes infeed and transfer valve and drive. Serial number 3635-15-46. As-Is, Ex-Works Gridley, CA.	\$5,000
SP108	FMC Atmospheric round shell cooker for 603 x 700 can, approx. 1200 can capacity, mild steel tees and angles. No serial number available. As-Is, Ex-Works Gridley, CA.	\$3,000
SP109	FMC Pressure Cooker for 401 x 411 Cans, 1225 can capacity, small shaft, stainless steel tees and angles, missing one end plate. Includes infeed and transfer valve and drive. Serial number 3635-16-46. As-Is, Ex-Works Gridley, CA.	\$3,500
SP110	Infra-Pak model sidewinder single high portable pallet shrink wrapper, semi-auto. As-Is, Ex-Works Gridley, CA.	\$1,700
SP111	Liberty series 2000 Automatic single high pallet shrink wrapper. As-Is, Ex-Works Gridley, CA.	\$4,500
SP112	603 x 700 Can Labeling Line consisting of: (1) Whallon 180 degree magnetic depalletizer with accumulation conveyor, (1) Standard-Knapp Model HOR-3 Horizontal roll-thru labeler, (1) Dud Detector, (1) FMC Model 5 non-shock caser, (1) Currie LSP Case Palletizer with pallet stacker and pallet feed/discharge conveyors. As-Is, Ex-Works Gridley, CA.	\$15,000

SP113	401 x 411 Can Labeling Line consisting of: (1) Whallon 180 degree magnetic depalletizer with no accumulation conveyor, (1) Standard-Knapp Model HOR-3 Horizontal roll-thru labeler, (1) Dud Detector, (1) FMC Model 5 non-shock caser, (1) Lampson Case Palletizer with pallet stacker and pallet feed/discharge conveyors. As-Is, Ex-Works Gridley, CA.	\$15,000
SP114	300 x407 Can Labeling Line consisting of: (1) Whallon 180 degree magnetic depalletizer with no accumulation conveyor, (2) Standard-Knapp Model HOR-1 Horizontal roll-thru labeler, (2) Dud Detector, (2) FMC Model 5 non-shock caser, (1) Lampson Case Palletizer with pallet stacker and pallet feed/discharge conveyors. As-Is, Ex-Works Gridley, CA.	\$15,000
SP115	603 x 700 Can Labeling Line consisting of: (1) FMC permanent magnetic depalletizer with accumulation conveyor, (1) Standard-Knapp Model HOR-3 Horizontal roll-thru labeler, (1) Dud Detector, (1) Pak-Master Model PM-1 wraparound caser/gluer (1) Currie LSP Case Palletizer with pallet stacker and pallet feed/discharge conveyors. As-Is, Ex-Works Gridley, CA.	\$15,000
